

Love One Another Ministries

(LOAM)

January, February & March

Dear Prayer Partner,

Greetings to you in the name of our Lord and Savior Jesus Christ. I am sorry for not able to update you as the months of January and February have been so busy with the ministries and my wedding. I am so thankful to God and to you for praying for our wedding which took place on 13 February, 2018 in Odisha, India. Please keep praying for us as we start our new journey and the ministries together. By His grace and through your prayers, our wedding went on well along with the couple of receptions. We praise God for His blessing and provisions for the wedding. Now my wife and I are in Korea working among international students and also Koreans. God has also opened a way for us to work with a church here to lead the English service. While being here in Korea I still work for LOAM in India to connect with people and churches. So ministries here in Korea and in India keep me busy.

We had two pastors training program in Chelligada and Rayagada. Adrian and team taught some principles of church planting and growth and in those two places leaders were encouraged and blessed by their teachings. They could visit some of our house churches in Odisha and encouraged the believers through the word of God and through their testimonies. It has been a great blessing for all the believers. We hope to extend the work in some other areas so we are praying for needed funds for training program to be held every month, church planting, evangelism and other ministries.

LOAM School has been going well and children at school finished their final exams. So we are almost at the end of the academic year. By end of this month school children will have their summer vacation. LOAM school started enrolling new students, so we hope to have more kids this year and same time the need of sponsors for those children increase day by day. We would request you to pray for the need of sponsors for those poor and needy kids and consider to provide school uniforms, books, shoes, belt and tie. We are also praying for few classrooms and rooms for staff to build but we do not have any funds for that so pray that God may provide us miraculously. Even children at LOAM Children Home finished their exams and they are excited for their summer vacation. Like last summer, this summer also we are planning to have VBS program for the children so pray for the program to be a productive one so that many kids will be blessed with the new life Jesus offers as a free gift. It gives us a great joy to see them growing physically and spiritually. They are our next generation leaders so pray for their studies and health and please join with us to make a huge difference in their lives. We need your prayers and support for them.

Thanking you so much.

Yours Co-worker in His kingdom,

Santosh
